Olá, este é um material produzido e fornecido para você ajudar crianças a compreenderem a formação dos números desde as dezenas até os milhares de forma funcional e atrativa.

Monte os números emparelhando as cartas umas sobre as outras de acordo com a sua posição no valor no quadro valor de lugar até formar o número desejado.

Imprima, recorte, se puder, plastifique para aumentar a durabilidade.

Curta, compartilhe e não se esqueça de dar os devidos créditos, afinal, cada detalhe foi feito com bastante dedicação e carinho!
